MATERIAL FACT

Arteris S.A. ("Company"), within the scope of the intended tender offer for the acquisition of up to all the shares issued by the Company ("Tender Offer") for the purposes of cancellation of its registration as a category A publicly held company and subsequent conversion into a category B issuer and the consequent delisting of the Company from the Novo Mercado segment of the BM&FBOVESPA – Securities, Commodities and Futures Exchange, as disclosed in the Material Facts of April 30, 2015, August 5, 2015 and September 22 and 23, 2015, hereby informs its shareholders and the market in general that it has received a new version of the valuation report of the Company's shares at economic value, prepared by Banco BNP Paribas Brasil S.A. ("Valuation Report"), the specialized firm chosen by shareholders representing the outstanding shares within the scope of the Tender Offer, as resolved by the Company's Extraordinary Shareholders' Meeting, held on August 25, 2015.

The new version of the Valuation Report includes the necessary adjustments to comply with the requirements made by the BM&FBOVESPA – Securities, Commodities and Futures Exchange, through Official Letter 14/15-SRE, dated October 7, 2015, and the Brazilian Securities and Exchange Commission ("CVM") through Official Letter no. 186/2015/CVM/SRE/GER-1, dated October 28, 2015, both within the scope of the Tender Offer.

In accordance with the new version of the Valuation Report, Banco BNP Paribas Brasil S.A. assessed the economic value of the Company's shares at between R\$8.31 and R\$9.00 per share, which corresponds to a range lower than the one in the original version of the Valuation Report, disclosed to the market via a Material Fact dated September 22, 2015.

The new version of the Valuation Report is being disclosed through the Empresas.Net system of the CVM and the BM&FBOVESPA and published on the Company's investor relations website (<http://ri.arteris.com.br/>) simultaneously to the publication of this Material Fact, pursuant to article 8, paragraph 5 of CVM Instruction 361/2002.
